Know Garage Sale Guidelines

Before setting out “another man’s treasure,” residents should be aware of city rules for garage sales.

You must have a city permit at least 72 hours before beginning your sale. Permits can be obtained **FREE** of charge from the Development Department. Visit www.fortworthgov.org/development or call **817-392-2222**.

Items can only be displayed on your patio or in your garage, not strewn about your yard. And remember, the sale of new things obtained just for resale at a home is prohibited.

Signage: You may have a garage sale sign on **YOUR PROPERTY ONLY**, it is prohibited to put a sign on posts, trees, corners, city property, private property or public property.
