ACC REQUESTS

WHAT IS AN ACC REQUEST?

An ACC (Architectural Control Committee) Request, is simply a request for building new structures, or making changes to your property. This would include things like; installing a new fence, building a shed, removing trees, painting the exterior of your home and more!

HOW DO I SUBMIT MY REQUEST?

This is all streamlined through our community website. Once logged into reataranchhoa.com – navigate under Homeowner -> Online Forms -> ACC Request Form. Once reviewed, you will receive notification of approval or if new information is needed!

This process is to ensure all homeowners are following the CCR's and design guidelines for Reata Ranch.
